OTHERS PRESENT:

1. CALL TO ORDER

Chair Fromm called the meeting to order at 5:30 p.m.

2. ROLL CALL

3. ADOPT AGENDA

Motion by Tessmer/Haubrich to adopt the agenda. Motion passed unanimously.

4. ADOPT MINUTES

Motion by Tessmer/Schempp to approve the minutes. Motion passed unanimously.

5. NEW BUSINESS

A. Charter Amendments

City Manager Burkett introduced the Charter Amendments:

• 6.05 Increasing City Manager’s spending limit from $25,000 to $50,000.
• 6.06. Changing the threshold for public bidding from $50,000 to $175,000.
• 7.09. Modifying the language to give flexibility for the City Manager to pay invoices in advance of a Council meeting.
Motion by Haubrich/Friesen to recommend all three Charter Amendments to the City Council. Motion passed unanimously.

B. Redistricting

City Manager Burkett gave the background on the redistricting process. He is requesting that Charter first decide if they want to include “imminent development” and then make a recommendation to the Council on a map. The Commission supported the inclusion of imminent development. The City Manager then reviewed Option 2 and Option 3 maps. There was overall discussion about the differences between the maps and the pros and cons of each.

Motion Johnson/Haubrich to recommend Option 3 map. Motion passed unanimously.

6. OLD BUSINESS

A. Charter Commission Members Expiring Terms and Appointment Process

Chair Fromm mentioned those members with terms expiring in 2022.

- Friesen – seeking reappointment
- McKie – not seeking reappointment
- VanMoorlehem – not seeking reappointment
- Probst – seeking reappointment

A meeting will be set at a later date to review applications/conduct interviews/make appointments.

7. ADJOURNMENT

Motion to adjourn by VanMoorlehem/Tessmer. Unanimous. The meeting was adjourned at 6:20.
Council Salaries

BACKGROUND INFORMATION:

The Charter requires the Charter Commission to review Council salaries prior to June of every even-numbered year. (City Charter §2.07 subd. 2) State law requires Council salaries to be adopted by ordinance. (Minn. Stat. §415.11 subd. 1) West St. Paul is unique in that Council salaries are identified in both West St. Paul City Charter §2.07 and City Code §30.04. Having the salaries in both locations allows for checks and balances. A Charter amendment requires a recommendation from the Charter Commission and unanimous vote by the Council. City Code amendments, on the other hand, only require a majority vote by the Council. Therefore, having the Council salaries in both the Charter and the City Code provides extra protection for the citizens. Salaries must be in an amount the Council deems “reasonable.” (Minn. Stat. §415.11 subd. 1) It is important to note that an increase would not take effect until after the next municipal election, in other words, January 2023. The current salaries are as follows:

Section 2.07. Salaries.

Section 2.07 Salaries. Subd. 1. For the faithful discharge of the duties of their respective offices, the elected official shall receive the following salaries: The Mayor $9,613 for calendar year 2021 and $9,878 for calendar year 2022; each Councilmember $7,714 for calendar year 2021 and $7,927 for calendar year 2022. The City Manager and all other officers and employees of the City shall receive such salaries or wages as may be fixed by the Council.

One city I represent recently made the following adjustment in their City Code regarding salaries:

“Thereafter, beginning in January of every odd-numbered year, the Mayor and Council shall receive a salary adjustment in an amount that equals the cost of living increase provided to the City’s non-union employees for the preceding two years.”

While this amendment could result in automatic adjustments, the Charter Commission should also recommend repealing the requirement that salaries be revisited prior to June of every even-numbered year.

STAFF RECOMMENDATION:

Review and consider amending the Council salaries
To: Charter Commission
Through: Nate Burkett, City Manager
From: Kori Land, City Attorney
Date: June 9, 2022

Filling Vacancies

BACKGROUND INFORMATION:
The City has 2 vacancies on the Charter Commission left by Aaron VanMoorlehem and Jim McKie. In addition, 2 of the existing members (Commissioners Friesen and Probst) have terms that expired in Feb. 2022 and have each submitted their applications to renew their seats on the Commission.

We recommend that you review the applications and set a date for interviewing candidates to fill the vacancies.

In addition, we recommend reappointing Commissioners Friesen and Probst to another 4-year term.

List your past and present civic activities or memberships which may be helpful to this committee.*

I have been a member of the League of Women Voters (LWV) of Dakota County since February 2017 and have served in volunteer leadership roles including as the Advocacy/Program Coordinator and later as the Visibility Coordinator. Throughout that time I have helped organize multiple candidate forums, forums concerning various public policy issues, and meetings featuring speakers addressing issues of concern to members and the general public. I have helped monitor proposals being considered by the Dakota County Board, the Metropolitan Council, the Minnesota Legislature, and various city councils and school boards, in order to help LWV of Dakota County and members of the public take advantage of opportunities to provide input. For the past few years I have been primarily responsible for external communications including the LWV of Dakota County website and social media accounts. I have also served as an election judge in Minneapolis since 2018.

List two or three goals that you would like to see accomplished during your term on a commission.*

1. I would like the Charter Commission to consider clarifying portions of the City Charter that explain what constitutes a quorum of the Council. My concern is that Sections 3.03 and 3.04 do not specify whether the threshold for what constitutes a quorum is modified if one or more councilmembers is legally disqualified from participating in a meeting or voting on a matter. Those sections likewise do not specify whether the decision of a councilmember to recuse herself or himself or abstain from voting on a matter, when not legally required to do so, alters that threshold. Also, Section 3.03 refers to elected members, which could be problematic if the vote of an appointed councilmember would change the outcome of a decision.

2. I would like the Charter Commission to consider proposing revisions to various aspects of Chapter V, regarding initiatives and referenda, which conflict with Minnesota Statutes section 205.10. For example, the petition signature threshold set forth in state statute is 20 percent of the number of votes cast in the previous municipal election, while the threshold set forth in Sections 5.05, 5.06, 5.10, and 5.11 of the City Charter is 10 percent. Similarly, I think the Charter Commission should considering proposing the modification of section 5.07 of the City Charter to provide that a special election held for the purpose of voting on an initiative will not be held between 30 and 45 days after final action on a proposed ordinance, as is currently required, unless a uniform election date set forth in Minnesota Statutes section 205.10, subdivision 3a, happens to fall within that 15-day time period. The date of a special election generally must be one of the dates specified in Minnesota Statutes section 205.10, subdivision 3a, pursuant to Minnesota Statutes section 205.02, subdivision 2. I would like the Charter Commission to recommend repealing Section 5.02, which prohibits compensation paid to petition circulators. That provision is unconstitutional pursuant to Meyer v. Grant, a 1988 United States Supreme Court decision in which the Court struck down a Colorado statute prohibiting the payment of petition circulators on First Amendment grounds.

How did you become interested in serving on a committee?*

I am interested in serving on the Charter Commission for two primary reasons. First, I am generally interested in the mechanics of good governance. I feel that my experience, skills, and knowledge as an attorney and engaged citizen would help me to be a productive member of the Commission. Second, in the time that I have lived in West St. Paul there have been instances in which I feel that a lack of clarity within the City Charter has made it more difficult for residents to understand the functioning of the Council and other aspects of city governance.
