Sanitary Sewer I/I Private Property Assessment Agreements

BACKGROUND INFORMATION:

As part of the Inflow and Infiltration (I/I) Sewer Inspection Program that the City began in the fall of 2008, the City Council allowed property owners to assess the cost of any sewer repairs that were required as part of the inspection program. The City Council set the terms of the assessment interest rate and period at 3% over 10-years.

FISCAL IMPACT:

The attached spreadsheet shows ten properties that are requesting to have their sewer-related repair costs assessed. The total assessments are for \$50,786.25.

STAFF RECOMMENDATION:

Staff recommends that the City Council approve the attached I/I assessment agreements.
