List your past and present civic activities or memberships which may be helpful to this committee.*

Currently forming a neighborhood watch program

List two or three goals that you would like to see accomplished during your term on a commission.*

I would like to see increased pedestrian safety and walkability throughout West St. Paul, and a community center with youth and family engagement programs.

How did you become interested in serving on a committee?*

As my kids have gotten older, I've realized the importance in having a safe community for them to grow up in. West St. Paul has changed a lot since I was little, and I want to do my part in making sure it continues to change for the better as a welcoming place with accessible amenities and resources for all residents.
