Action	
Adopt the Resolution Seeking Membership in the AARP Network of Age-Friendly Communities	
Background	
The City of West St. Paul works with a local non-profit called Living Longer and Stronger in West St. Paul. As part of their efforts, LLS in WSP are seeking a partnership with the AARP. Part of this relationship starts with joining the Network of Age-Friendly Communities. Along with the application they are submitting to join this network, support from the City Council helps to legitimize the efforts of our community. Staff believes this resolution will help our LLS in WSP create relationships that will improve the lives of West St. Paul's aging population.
